

WINTER VITALITY BOOSTERS

Use these high-treatment skin specialists to re-energise a dry, dull winter complexion and restore your radiant glow.

Revive slack or stressed skin with the 100% natural **White Jasmine Facial Essence** (30ml). Its regenerating essential oils re-energise skin that has lost its tonicity and vibrancy due to illness, high levels of stress, or hormonal or seasonal changes.

"This is such a wonderfully luxurious oil. I love the strong scent of jasmine – it immediately lifts my spirits. Most of all, though, I love how it makes my skin look and feel – soft, supple and glowing with vitality." – Anne

8 PRECIOUS OILS

- Jasmine** restores moisture and elasticity
- Bergamot** rebalances skin
- Rosewood** lifts and firms
- Black Pepper** stimulates circulation
- Star Anise** decongests
- Sandalwood** soothes
- Cedarwood** rejuvenates
- Vetiver** treats dryness

The **PhytoExquisites™ Calming Melt-In Mask** (75ml) is a soft, creamy treatment mask to desensitise, reduce redness and enhance the overall condition of skin – in minutes. Blue Chamomile, rich in anti-inflammatory Azulene, soothes skin and brings its moisture and lipid content into harmony.
