WHY YOU NEED THEM!

- Powerful essential oils help to:
- Ease nasal and bronchial congestion.
 - Relieve coughs by dispelling thick mucus.
 - Cool fevers and soothe inflammation.

ImmuBoost

Our **ImmuBoost Massage Concentrate** (50ml) and new **ImmuBoost Bath Crystals** (450g) contain warm, spicy oils that stimulate your body's natural defences against infection, inflammation and illness.

- **Ginger** is warming and comforting, and a powerful antidote to harmful bacteria.
- **Clove** fights infection, eases inflammation and relieves pain.
- **Cinnamon** boosts production of our infection-fighting T-cells.
- **Black Pepper** fights bacteria and promotes better intestinal health.
- **Sage** breaks up mucus formation and has potent antiseptic properties.
